Martha,

Did you remind John to send the e-mail concerning the blueprint waiver?

(And Sara will send you now the update e-mail for the MATS FAR.)

I've heard "the week of 9/17", and seen 9/20 on a document, but I've not seen an official invitation yet. We're having another "pre-options selection" meeting with Peter T. tomorrow, so perhaps they will announce something about the schedule then. Thanks.

Sara,

Martha can remind John once again to forward the e-mail. What is the current date for Options Selection?

I know we just heard back on the MATS expedited FAR request, but did we ever hear back on the OIAI analytic blueprint waiver request? My recollection from the last weekly was that John hadn't sent the email request up yet? Thanks.

Sara and Terri,

We have not received OECA's input on our request to waive the analytical blueprint for our MM2A action. Please let us know if you have any questions regarding our request. You can let us know by email or by completing the form following this link:
